

Student grants

LAEDC2019 and LASCAS2019 will provide partial support to IEEE EDS/CAS member students attending the symposium, subject to available funds. If granted, the student will receive accommodation in a triple occupancy room at the hosted-conference hotel and a registration fee waiver. This opportunity is sponsored by the IEEE Electron Devices Society and the IEEE Circuits and Systems Society.

The LASCAS2019 and LAEDC2019 organizing committee recognizes that the student involvement in our symposiums is fundamental to our development as a research community.

Eligibility conditions

- Be a Student Member of IEEE Electron Devices Society or Circuits and Systems Society when submitting the application.
- Be registered as a full time Bachelor, Master or Ph.D. student in engineering or a related field in a college or university when submitting the application.

Application procedure

If you meet the above requirements, please send an email with subject "Student Support LASCAS/LAEDC 2019" to efroa@uis.edu.co, containing the following information:

- Your IEEE Student number (for verification purpose) and scanned copy of your student ID.

- Statement (less than 300 words) to state their education/research interests and their relevance to the technical focuses of the LAEDC/LASCAS symposiums.
- If you are an author/co-author, the ID number and title of the paper/poster you will be presenting at LASCAS/LAEDC (full title with full list of authors) with your agreement to present this work.
- A signed supporting letter from your academic advisor or a supporting letter from the electrical engineering head of your school.
- The applicant's signature.

Each application MUST BE APPROPRIATELY SUBMITTED IN PDF FORMAT (ONE FILE ONLY). Incomplete, poorly assembled or late applications will not be considered. Applications should be submitted electronically via email to efroa@uis.edu.co no later than February 4th. Awardees will be notified as soon as possible thereafter.
